John,
Carl did not call Gary directly as I thought, I need to pay better attention, I will use the getting old card.
Gary was talking about Carl's email that was sent to the other Gary and the it was forward to him. Carl did not include me on his original email, he is getting old too.
Will you respond to Carl after you listen to the voice message from Earl that Gary sent?

John,
Earl left a message for Gary basically saying that due to his work schedule, he will not be able to discuss the questions from the PRPs at this time. Gary will ask Earl what questions can he provide a quick response now and respond to the other at a later date.
Carl call Gary directly and I mentioned to Gary to let Carl know about Earl's work situation.
Gary will forward Earl's call to you and me.
